

What training does Skills Force Australia provide so that you remain compliant?

Fire safety and first aider training Develop your team with nationally accredited qualifications and receive some of the lowest rates in Perth. Why use Skills Force Australia?

- Low rates, easy free parking at our training facility in Baretta Road Wangara and group bookings receive discounting (5 or more).

Fire & safety training in the workplace ensures the safety of your workforce. Remember, no one should use fire equipment without training and you require qualified First Aiders.

As a Registered Training Organisation (52354) we provide high quality fire and safety training so that you remain compliant and safe. We offer three streams of training;

1. Nationally accredited training: Highest quality and recognised nationally (VET sector)
2. Non-accredited low-cost training: Shorter session times and lower costs
3. On-line training: Additional low-cost professional development units

Nationally accredited training for your Emergency control team (New team or existing) including;

- Fire equipment training CPPFES2005A over 3 hours
- Fire Warden training PUAWER005A over 3 hours *Pre-requisite for Chief Warden
- Chief & Deputy Chief Warden training PUAWER006B over 4 hours
- Combined Provide First Aid with CPR training HLTAID001& HLTAID003 includes online theory followed by practical day course (7 hours). Low price
- We can develop your emergency evacuation procedures to AS 3745-2010

*You may combine these units and save with group bookings.

Non-accredited low-cost training (Combine and save)

1. 1 x hour Fire equipment training for groups (\$399 max 10 and we can come to you)
2. 1 x hour Fire Warden training (\$399 max 10 and we can come to you)

Who will benefit from our emergency procedure development and fire & safety training?

- All businesses, government agencies and individuals
- Family day care centres & Medical centres
- Local government shires, community pools and halls
- The general community, mining & construction
